Positioning People to Become Passionate Disciples of Jesus Christ

Monday April 12, 2004

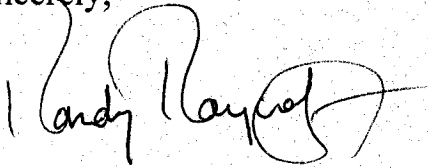

To Whom It May Concern:

This letter is to inform you of our satisfaction with Lanca Construction. Recently we added onto our existing building. Our church building committee decided to proceed with a Robertson Steel building. In doing so, our relationship with Lanca Construction evolved.

We found their work to be professional and their foreman Stephen to be exceptional. You will also find Nathan Lancaster very professional, patient and knowledgeable.

I recommend this company to you with out hesitation.

Sincerely,

A handwritten signature in black ink that reads "Randy Raycroft". The signature is written in a cursive style with a large, looping initial "R" and a long, sweeping underline.
