This letter of reference has been requested in relationship to work performed by Lanca Contracting Ltd. at the Haldimand County Court House in Cayuga, Ontario.

The work at the Haldimand County Court House was a very complicated renovation project. Lanca Contracting Ltd. handled this job well, with good organization and communication. We found them to be very cooperative, attentive and efficient. Paper work was provided promptly and completely, and Project Manager Philip Walker was a pleasure to work with.

We would not hesitate to recommend Lanca Contracting Ltd. as a General Contractor. If you require additional information, please do not hesitate to contact me.

Yours Truly,

Allan Avis
