To Whom It May Concern

Our firm has been involved in numerous projects in the Brantford area with Lanca Contracting Limited over the past 20 years. Most recently our firm has acted as a prime consultant to Lanca on two projects. An industrial building, Sandale Utility Products, on Adams Boulevard has recently been completed and a commercial building, Zoez Computer Centre on Lynden Road is presently under construction. Our experience with the staff of Lanca Contracting Limited has always found them to be professional, courteous and fair in the execution of their work.

If we could provide any additional information please do not hesitate to contact this office.

Yours truly
