To Whom It May Concern:

This letter is meant to outline my satisfaction with the services provided by Lanca Contracting Limited.

Lanca Contracting Limited was hired to construct an addition to our building. The contractor was able to work expeditiously and meet budget requirements while providing superior quality workmanship. Their attention to detail was exceptional and they provided excellent communication and resolved issues quickly as they arose.

I look forward to further working relationships with Lanca and wouldn't hesitate to highly recommend their services to those whom are interested.

Sincerely,

Peter Overgaauw
